

 mükava®

**ERGONOMIC SOLUTIONS
FOR DIGITAL TOOLS FOR
EDUCATION**

Mükava

Mükava ergonomic mounting solutions are ideal for students of all ages who spend long hours engaged with electronic devices and study materials. Mükava products help alleviate neck and shoulder pain, and facilitate healthy posture. They also integrate digital tools into learning and collaborative environments.

Mükava mobile device mounting solutions are ideal for students of all ages because they:

- Support ergonomically sound use of digital and traditional media
- Facilitate collaboration between users
- Can be used with laptops, tablets, books and documents.
- Offer mobile device charging.
- Can be used by students in classrooms, libraries, dorm rooms and cafés.

ABOUT MÜKAVA

High-end industrial furniture design meets modern digital living in Mükava. Mükava mobile device mounting solutions are designed to allow technology to conform to our needs as consumers in the most ergonomic way possible.
